

The following process is designed for Navistar dealers.

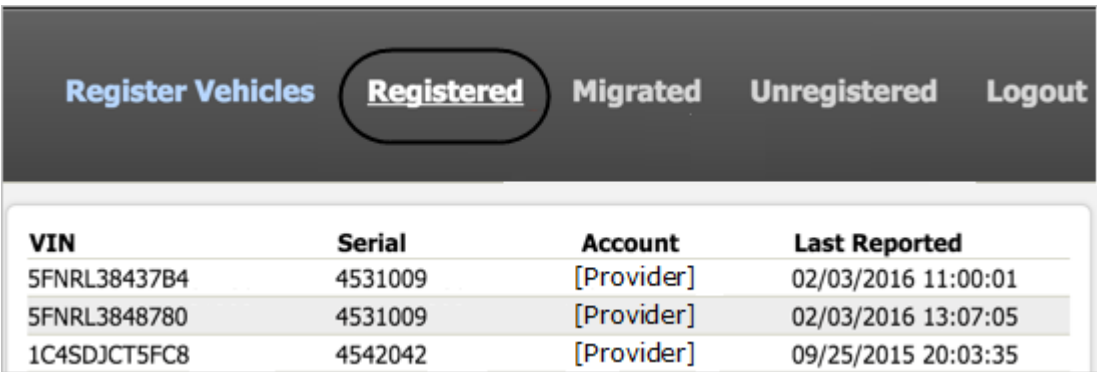

► **To configure OnCommandConnection:**

1. Log into the **Dealer portal**.

The screenshot shows a login form titled "Log into Dealer Portal". It contains two input fields: "Username" with a placeholder "[username]" and "Password" with a placeholder ".....". Below the fields is an orange "Login" button. At the bottom, there is a link that says "Forgot your password?".

1. From the Register Vehicles page, locate the serial number of the device.
