Fleetio Integration Now Updated

Nuvo Solutions’s Fleetio integration now offers two additional data points:

- Vehicle location
- Secondary meter

The below data can now be pushed to Fleetio, making it easier to have the information you need, where you need it.

Primary Odometer	Secondary Meter	Faults/DTC	Vehicle Location
✓	✓	✓	✓

To learn more about the Fleetio integration, please visit [About the Fleetio Integration](#).
